Summary: (G!P Alex/Human Kara) When Kara accuses Alex of cheating on her during a fight Alex gets rough, the next day Kara can barely walk through the office, find out what Alex had planned for Kara. light teasing and also... A soda can?

Barely Walking from Love

Barely Walking from Love

Me: Hey everyone, this is a small one-shot human Kara/G!P Alex so I hope you enjoy.

Kara was walking very cautiously today, her legs together as she walked gently about her office, Cat popped in to find out until she figured out what was wrong without even talking to Kara, Kara had a rough night.

All started off when Kara and her girlfriend Alex had a raging argument, Alex had been neglecting Kara's needs for weeks and Kara was beginning to feel frustrated and horny as hell, she said some things to Alex and the next thing she knew she was pinned to the wall with her dress hiked up and her panties ripped down and Alex was pounding hard inside her.

Kara had never been manhandled and roughly screwed by her girlfriend before but she loved every second of it but right now she was wishing she stayed home because she could barely walk right.

In the past Kara and Alex had been quite gentle in their love making although Alex was constantly horny but that was something that Kara loved about her but lately Alex had been working hard and staying late at night with another member of the police department.

Kara hated to admit it but she was jealous and she accused Alex of cheating on her with another woman and was no longer in love with

Kara which is what sparked Alex's rough manhandling her last night.

Kara gently sat down and groaned pitifully as she was sore all over, that's when Alex entered the office "Hey Baby" she greeted and she kissed Kara's lips who replied to the kiss instantly and she leaned forward and whimpered at the feeling of the soreness, Alex pulled back and gave a guilty expression.

"I am sorry babe; I did not mean to be so rough with you" she said caressing Kara's cheek making her smile.

Kara nodded her head "it's ok, I pushed you to it when I accused of cheating on me"

Alex took a deep breath "Kara, you were rightâ€¦ I have been distant lately, it's just that I have been planning somethingâ€¦ a surprise" she said and Kara looked curious.

Alex looked nervous "Since last night kind of got ruined, I'll do it now" slowly Alex got down on one knee and pulled a box from her pocket, inside was the biggest engagement ring Kara had ever seen.

"Oh myâ€¦" Kara whispered as she realized just how wrong she was.

"Kara Zorel, will you do me the Honour of becoming my wife? Will you grow old with me? Love me? Forever" Alex whispered and Kara had tears in her eyes which were freely falling down her cheek "Yes" she replied and Alex pulled her to her feet and span her about causing Kara to giggle gleefully until she set Kara back on her feet again and Kara hissed in pain.

"Oops sorry Kara" Alex said and Kara giggled a little before grabbing a cold can of soda from the as she sat down before making Alex watch as she placed it under her dress between her thighs, Alex felt herself harden instantly "Wow, I never thought I'd be jealous of a soda can" Kara smirked and moaned "Oooh it feels so good Alex" she teased with a moan.

Alex groaned as she felt her huge girl cock strain against the fabric of her pants, she had better get out quick otherwise she was going to screw her fiancÃ© right there and then, doesn't matter if Kara was still recovering from last night she would do it anyway.

Kissing Kara's lips softly Alex whispered "I love you my Karaâ€¦ forever"

Kara smiled bright and kissed Alex "I love you too my Alexâ€¦ Forever" she replied before watching her fiancÃ© walk to her office door.

"Alex" Kara called and Alex turned to her.

Alex turned to her and Kara smirked as she spreaded her legs wide revealing something to Alex and Alex's mouth dropped open and she began to drool "Oh just you wait till tonight Kara" Kara giggled "I look forward to it"

And soon the fiancÃ©'s parted ways in anticipation for the night ahead, as long as Kara's cold soda can between her legs can make her feel better.

The End

Me: I hope you enjoyed this little one-shot, thanks for reading.
